

Hello GT friends,

First we would like to thank the IG Bergstrasse for the very successful organisation of the Euromeeeting. Particularly in view of the challenges they had with regard to the evening organisation.

As usual, at the Euromeeeting, the public Federation meeting took place. The notes will be sent to you in the next couple of days. Included with these you will receive the latest information on the upcoming meetings.

We would to draw your special attention to the Meeting at the Opelvillen on 24.06.2018. Those who want to take part and park their Opel GT on the reserved parking in front of the Opelvillen (see notes), should register until 14.06.2018 with olaf@opelgt-dv.org

Regarding the meeting of the GT Club Denmark we would like to make you aware of the register before 29.06.2018. You can find additional information under: <http://www.opelgklub.dk/>

For the GrandTour we already informed at the Federation meeting that only a few places are left. **The registration ends on 01.06.2018.**

We wish you all a sunny early summer with many great outings with the GT.
